I want to book appointment

Hello! I'm **Eka Assist** your healthcare appointment assistant. I can help you:

- Book a follow-up appointment** with your doctor
- Find a specialist** for your symptoms
- Schedule a new consultation**

To get started, could you let me know:

- Are you looking to book with a **specific doctor** you've seen before?
- Or do you need help **finding the right specialist** for your symptoms?

Describe your symptoms or tell me which type of doctor you are looking for

headache

I'll help you find the right specialist for your headache. Let me understand your symptoms better.

First, may I know your **gender** and **date of birth** with year?

Uploading medical records will help your doctor understand your history better

Based on your symptoms - headache with nausea, dizziness, and the pain pattern you've described - I can help you find the right specialist.

If you have any medical records or previous reports related to your headaches, feel free to upload them using the upload button. This will help the doctor understand your condition better. It's completely okay if you don't have any medical records.

Now, **which city are you located in?** This will help me find specialists near you.
